DRESS WARM AND KEEP FEET DRY

TEAS RHEUMATISM SUFFERERS
TO TAKE SALTS AND GET
RID OF URIC ACID

Rheumatism is no respecter of age, sex, color or rank. It is not the most dangerous of human afflictions. It is one of the most painful. Those subject to rheumatism should eat light meat, dress as warmly as possible, avoid any undue exposure and above all, drink lots of pure water.

Rheumatism is caused by uric acid which is generated in the bowels and absorbed into the blood. It is the function of the kidneys to filter this acid from the blood and cast it out in the urine, the pores of the skin are also a means of freeing the blood of this impurity. In damp and chilly, cold weather the skin pores are closed thus forcing the kidneys to do double work, they become weak and sluggish and fail to eliminate this uric acid which keeps accumulating and circulating through the system, eventually settling in the joints and muscles causing stiffness, soreness and pain called rheumatism.

At the first twinge of rheumatism get from any pharmacy about four ounces of Jad Salts; put a tablespoonful in a glass of water and drink before breakfast each morning for a week. This is said to eliminate uric acid by stimulating the kidneys to normal action, thus ridding the blood of these impurities.

Jad Salts is inexpensive, harmless and is made from the acid of grapes and lemon juice, combined with lithia, and is used with excellent results by thousands of folks who are subject to rheumatism. Here you have a pleasant drink which overcomes uric acid and is beneficial to your kidneys as well.

BACKACHE IS DISCOURAGING.

But Not So Bad If You Know How to Reach the Cause.

Nothing more discouraging than a constant backache. Lame when you awaken, pains pierce you when you bend or lift. It's hard to work or to rest. Backache often indicates bad kidneys. Pendleton people recommend Doan's Kidney Pills. Read this case:

William McGregor, prop. horse shoeing shop, W. Alta and Ann sts., Pendleton, says: "Kidney complaint came on me suddenly and I got so bad that I couldn't bend my back to shoe a horse. The kidney secretions were filled with sediment and painful in passage. I had no strength at all and my back was lame and sore. After I used Doan's Kidney Pills a short time all these troubles left me and I was able to work all day with ease. My health is fine now and my back is strong."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. McGregor had. Foster-McBarn Co., Props., Buffalo, N. Y.

Hog Market Fails to Hold its Top Price for Week

(Courtesy The Journal.)

PORTLAND, Ore.—At the start of the week there was a burst of strength in the swine trade with a sale of a couple of loads at \$5.15, but during the remainder of the week the market reflects an erratic tone with the bulk of the business around \$5 for tops, although some few sales were made around \$5.10.

For the week an increased supply of hogs was shown in the North Portland yards, totals being 8490 head compared with 7542 head last week and 1842 head this same week a year ago.

Eastern markets showed varying strength but the close of the week generally was strong at full prices.

General hog market range:
 Choice light weights..... \$ 6.00
 Good light weights..... 5.85@5.95
 Medium weights..... 5.70@5.75
 Rough and heavy..... 5.50@5.60

Cattle Market Weakens

While there was a smaller run of cattle into the North Portland yards for the week compared with the previous six days, the trend of the trade was less favorable.

Stocks of cattle in the hands of leading killers were above immediate requirements. This is due to the smaller demand for meats due to the much lower prices of cuts and the lower quotations on Columbia river smelt, both of which had a depressing effect upon beef buying.

General cattle market range:
 Choice pulp fed steers..... 7.50
 Choice grain fed steers..... 7.25@7.32
 Ordinary grain fed steers..... 7.00@7.15
 Choice hay fed steers..... 6.90@6.95
 Good steers..... 6.75@6.85
 Ordinary to common steers..... 6.60@6.65
 Choice cows..... 6.50@6.55
 Ordinary to common cows..... 6.00@6.50
 Choice heifers..... 6.75
 Ordinary to good heifers..... 6.00@6.50
 Choice bulls..... 7.25@7.50
 Good to fair bulls..... 6.00@6.50
 Ordinary to common bulls..... 5.00@5.25
 Best light calves..... 8.00
 Good calves..... 7.00@7.50

Mutton and Lamb Firm

Strength was continued in the mutton and lamb trade from the previous week. There was only a fractional run in the yards for the six

Proposal Made Against Ships Carrying Guns

COMPROMISE OFFERED BY ONE
ALLY FOR THE "SAKE OF
HUMANITY"

WASHINGTON, Feb. 26.—One of the allied nations has proposed that, for the sake of humanity, armament be removed from merchantmen. What the message stated and whence it came the administration refused to announce. However, the proposal cannot affect the American difficulty with Germany over the decree of war upon armed merchantmen.

Washington was less excited today than for several days, due largely to the administration's restriction upon congress. The discussion of the international situation has been kept from the floor. Lansing and Flood conferred over the possibility of a compromise warning measure but refused to comment upon the situation. Officials were surprised because only allied reply came. They expected a joint answer. It was believed France was the nation answering. It was expected she would say the proposal did not interest her because she had no armed ships.

Turn Hair Dark WITH SAGE TEA

IT MIXED WITH SULPHUR IT
DARKENS SO NATURALLY
NOBODY CAN TELL.

The old-time mixture of Sage Tea and Sulphur for darkening gray, streaked and faded hair is grand-mother's treatment, and folks are again using it to keep their hair a good, even color, which is quite sensible, as we are living in an age when a youthful appearance is of the greatest advantage.

Nowadays, though, we don't have the troublesome task of gathering the sage and the mossy mixing at home. All drug stores sell the ready-to-use product called "Wyeth's Sage and Sulphur Compound." It is very popular because nobody can discover it has been applied. Simply wash with it and draw the hair through your fingers, taking one small strand at a time; by morning the gray hair disappears, but what delights the ladies with Wyeth's Sage and Sulphur is that, besides beautifully darkening the hair after a few applications, it also produces that soft luster and appearance of abundance which is so attractive; besides prevents dandruff, itching scalp and falling hair.
